ABOUT THE EVENT

- This is a community event that celebrates each person's history and contribution to Wilmington by digitizing family photos and stories, which will be archived for future generations.
- Anyone who has lived, worked, or gone to school in Wilmington for any length of time may attend.
- All ages may participate and families are encouraged to come together (children under 18 must have a waiver signed by a parent).
- It only takes 30 – 60 minutes to be a part of our community snapshot!

WHAT TO BRING

- One to three photos, either *print* (unframed) or *digital* (CD, flash drive, or cell phone) that reflect your Wilmington story (*snapshots or formal portraits of family moments and celebrations, immigrant ancestors, town events, local businesses and organizations, or anything important to you*)

WHAT TO EXPECT

- You will be asked to write a description of your photos and then the photos will be scanned and returned to you.
- You will have the opportunity to record a video interview about your photos (*optional*).
- Photos will be added to the digital collection at: openarchives.umb.edu.
