

Start-of-School Library Checklist!

Get your Library Barcode

Once you have your UMass Boston ID card, visit the Healey Library circulation desk on the 2nd floor (catwalk level) to activate your library barcode. You will use your library barcode to check out items, request materials through interlibrary loan, and access library resources from off-campus.

E-Mail: Library.Circulation@umb.edu **Call:** 617.287.5900

Put your course materials on reserve

Faculty are strongly encouraged to place physical copies of their course materials on reserve in the library. Purchase requests for reserve materials are reviewed on a case-by-case basis. Do you have a personal or review copy you can lend the library for reserves? Ask us about using Open Educational Resources as well!

Schedule online or in-person library instruction

Research, information literacy, and critical thinking skills are more important than ever. Consult with a Reference, Outreach, and Instruction Librarian to integrate targeted research skills instruction into your courses at your students' point-of-need.
