12 - What are specific aspects of this course that helped to support your learning?

Response Rate	4/5 (80%)

- Syllabus is organized and tailored to the students' masters paper step by step
- The exercises and assignments were helpful to the final project
- Russ is very knowledgeable about both research in general, as well as data analysis. His mastery of SPSS helped make the course successful for the students.
- I have legitimately learned more in this class than most every other class I've taken. This has been an eye-opening and fantastic experience the whole way through. I almost want to take it again.

13 - How could this course be improved to better support your learning?

Response Rate	2/5 (40%)

- Perhaps a TA who is knowledgeable about not only SPSS, but R or stata as well.
- Continue to have supportive people teach this class.

14 - Please describe how your experience in this class this semester was affected by the Covid pandemic?

Response Rate	2/5 (40%)

- Not at all.
- Not much.
