

# PATHWAYS TO CAREERS IN HEALTHCARE, MEDICINE & BIOMEDICAL RESEARCH

Tufts University  
School of Medicine  
and  
UMass Boston  
College of Science  
and Mathematics

**WHO** Sophomores and Juniors

**WHAT** Three-week program for students interested in careers in medicine, the biomedical sciences, clinical and health professions.

**WHERE** Tufts University School of Medicine

**WHEN** January 3 – 21, 2022 (Winter Break)

**WHY** It's an outstanding opportunity to gain clinical and research exposure in a dynamic learning environment led by Tufts Medical School faculty, physicians and researchers.

You'll learn how to examine complex health challenges and potential solutions from a multidisciplinary, interprofessional perspective.
